

A Celestial Explanation Of Life

Think for a moment who you are from your spiritual self. A perfect being from the beginning of Creation. A God that is all of Creation, from One, through One, and only One.

A God that is love and nothing but love. He created all within his self. Creation with individual consciousness from One consciousness, no separation.

God being God, there are no limitations, no mistakes. His Grand Design has made all the necessary adjustments or judgements if you prefer to each souls individual being from the onset of Creation because He knew you from the beginning.

God's unconditional love for each created soul. The soul growing by way of experiences developing an ongoing greater wisdom and knowledge of life from the basis of the Word which is life itself and continue on throughout one's eternal life-lives.

It is finished per our Father. Thus establishing total freewill for each soul throughout the soul's eternity. For souls to live their lives experiencing the expanse of the Grand Design that never ends stemming from individual consciousness.

God's awesome design of His souls that bring the love of a challenge for the soul to overcome any and all shortcomings in one's eternity. To live on through that freedom to a greater love from life to life. Life to choose who they want to be and what they wish to accomplish. An eternal life with individual purpose growing towards the goodness and living through the connection of oneness in all of Creation.

Awareness is established in a souls present time, born into a flesh existence. An existence to experience the challenges of the imperfect flesh. The choice and progression to overcome the obstacles of the flesh stemming from emotion, fear, ego, and negativity and to enjoy the blessings of "heaven" within the soul. Blessings that are too numerous to list. With worlds upon worlds, universes upon universes, eternity is with purpose in every thing. A God-Creation without limitations because consciousness has no limitations.

Note; For those that believe God judges in their present. Because God foreknew you, predestined you, and according to Creation in Genesis, Creation was finished.

Gen 2:1 Thus the heavens and the earth were finished, and all the host of them.

Rom 11:2a God hath not cast away his people which he foreknew.
